Josef Smolen, Christoph Spötl, Miriam Unterlass

This publication was subject to international and anonymous peer review.
Peer review is an essential part of the Austrian Academy of Sciences Press evaluation process.
Before any book can be accepted for publication, it is assessed by international specialists and
ultimately must be approved by the Austrian Academy of Sciences Publication Committee.

The paper used in this publication is DIN EN ISO 9706 certified
and meets the requirements for permanent archiving of written cultural property.
