This publication was subject to international and anonymous peer review.  
Peer review is an essential part of the Austrian Academy of Sciences Press evaluation  
process. Before any book can be accepted for publication, it is assessed by international  
specialists and ultimately must be approved by the Austrian Academy of Sciences  
Publication Committee.

The paper used in this publication is DIN EN ISO 9706 certified and meets  
the requirements for permanent archiving of written cultural property.
