Natural Sciences of the Austrian Academy of Sciences by:

Andrea Bachmaier, Christa Cuchiero, Karlheinz Erb, Gerhard Herndl,
Sofia Kantorovich, Josef Smolen, Christoph Spötl, Miriam Unterlass

This publication was subject to international and anonymous peer review.
Peer review is an essential part of the Austrian Academy of Sciences Press evaluation
process. Before any book can be accepted for publication, it is assessed by international
specialists and ultimately must be approved by the Austrian Academy of Sciences
Publication Committee.

The paper used in this publication is DIN EN ISO 9706 certified
and meets the requirements for permanent archiving of written cultural property.
