This publication is licenced—unless otherwise indicated—under the terms of the Creative Commons Attribution 4.0 International (CC BY 4.0) licence (<http://creativecommons.org/licenses/by/4.0/>), which permits use, sharing, adaptation, distribution, and reproduction in any medium or format, as long as you give appropriate credit to the original author(s) and source, provide a link to the Creative Commons licence, and indicate any modifications.

The images or other third-party material in this publication are covered by the publication's Creative Commons licence, unless otherwise indicated in a reference to the material.

If the material is not covered by the publication's Creative Commons licence and the intended use is not permitted by law or exceeds the permitted use, permission for use must be obtained directly from the copyright holder. Despite careful editing, all information in this publication is provided without guarantee; any liability on the part of the author, the editor, or the publisher is excluded.

This publication was subject to international and anonymous peer review.

Peer review is an essential part of the Austrian Academy of Sciences Press evaluation process. Before any book can be accepted for publication, it is assessed by international specialists and ultimately must be approved by the Austrian Academy of Sciences Publication Committee.

The paper used in this publication is DIN EN ISO 9706 certified  
and meets the requirements for permanent archiving of written cultural property.
